

**THE VISIAN ICL: DELIVERING THE ULTIMATE IN VISION PERFORMANCE  
IN THE MOST CHALLENGING OF CONDITIONS ENCOUNTERED BY THE  
US MILITARY**

- **Over 80% of the US Soldiers achieve UVCA on 20/15 or better and 86% achieve UCVA the same or better than pre-op BCVA<sup>2,3</sup>**
- **The Visian ICL delivers exceptional vision for the most demanding, younger, active patients, including those with mild myopia as low as -3.0 diopters<sup>2,3</sup>**
- **Opinions of over 200 US Soldiers highly rate the technology and believe the Visian ICL enables them to function and perform better<sup>2</sup>**
- **The US Military has routinely used and implanted over 3,000 Visian ICLs<sup>1</sup>**
- **100% of the US soldiers rate the Visian ICL as providing better vision than their previous spectacles and would have the procedure again<sup>2</sup>**
